Support the  
**Eastland  
Helicopter Rescue**  
Endowment Fund

## The **Eastland Helicopter Rescue**

currently flies about 145 missions a year and covers the area between Mahia and Waikaremoana in the South to the East Cape and around to Te Kaha.

**The range of services provided includes primary response for accidents and critically ill patients, search and rescue (including off-shore missions), and inter-hospital transfer throughout New Zealand. Eastland Helicopter Rescue also supports police operations, the fire service and civil defence.**

Established in 1988 and governed by a trust board, **Eastland Helicopter Rescue** is run by a not-for-profit, charitable trust whose primary aim is to deliver lifesaving critical care to patients on our remote East Coast. They work hard to raise the money needed to keep the essential rescue service on 24/7 standby. The organisation is volunteer led with one full time pilot.

Any donation that you make will be invested and grown each year in line with inflation. The surplus investment income will be granted back to **Eastland Helicopter Rescue** every year, meaning your donation will keep supporting them forever.

# Leave a lasting legacy

## What does Sunrise do?

- We raise funds from donations and legacies
- We invest funds retaining the capital and generating income
- We use income from investments to provide grants for local charities and organisations

**The Sunrise Foundation is a simple and lasting way to support local charities, organisations and causes that are important to you.**

You can choose to donate to Sunrise's General Fund or your favourite charity or cause through a special interest fund.

You can support causes that are close to home and close to your heart.

Sunrise is an organisation for local people to give for local needs, to help build a strong future for Tairāwhiti-Gisborne forever.

## Make your charitable giving have a bigger impact

All donations and bequests to Sunrise are invested in endowment funds in perpetuity (forever). Every year some of the investment income is retained to ensure the donation grows in line with inflation. The balance is granted back to the community (and in the case of the Eastland Helicopter Rescue Endowment Fund to Eastland Helicopter Rescue).

Over 20 years your donation will double in size and grants to the value of your original donation will have been granted to worthy causes. Over 50 years your donation and the total grants to our community will be 5 times more than your original donation.

### Leave a legacy in your will

When making a will many people want to give something to their community, or leave a bequest to their favourite charitable cause. It's a common misconception that only wealthy people leave money to charity when they pass away. Gifts in wills, or bequests, are not just made by the rich and famous. The reality is most bequests are made by ordinary, hard working people who want to make a positive difference in their community and other people's lives. You may consider leaving a percentage of your estate or a specified sum in your will to the Eastland Helicopter Rescue Fund, confident in the knowledge your bequest will be an enduring legacy for Eastland Helicopter Rescue.
