**MS Society
Gisborne East Coast
Endowment Fund**

MS Society GEC

provides a wide range of services which include arranging social networking opportunities, one on one support, referrals to agencies and attending specialist appointments with members.

MS is an auto-immune disease where the immune system mistakenly attacks parts of the body that are vital to everyday function. Symptoms are unpredictable and can vary in intensity.

While some people experience fatigue and numbness, severe cases of MS can cause paralysis, vision loss, and diminished brain function.

MS can be a debilitating disease and there aren't the same wrap around services as for the more prevalent diseases, making it especially important that members have the help of their local society to help them access agencies and services they may not be aware of.

Any donation you make will be invested, protected and grown each year in line with inflation. The surplus investment income will be granted back to MS Society Gisborne East Coast every year, meaning your donation will keep supporting them forever.

Leave a lasting legacy

What does Sunrise do?

- We raise funds from donations and legacies
- We invest funds retaining the capital and generating income
- We use income from investments to provide grants for local charities and organisations

The Sunrise Foundation is a simple and lasting way to support local charities, organisations and causes that are important to you.

You can choose to donate to Sunrise's General Fund or your favourite charity or cause through a special interest fund. You can support causes that are close to home and close to your heart.

Sunrise is an organisation for local people to give for local needs, to help build a strong future for Tairāwhiti-Gisborne forever.

Make your charitable giving have a bigger impact

All donations and bequests to Sunrise are invested in endowment funds in perpetuity (forever). Every year some of the investment income is retained to ensure the donation grows in line with inflation. The balance is granted back to the community (and in the case of the MS Society Gisborne East Coast Fund to MS Society Gisborne East Coast) each and every year forever.

Over 20 years your donation will double in size and grants to the value of your original donation will have been granted to worthy causes. Over 50 years your donation and the total grants to our community will be 5 times more than your original donation.

Donating to the MS Society Gisborne East Coast Fund

Leave a legacy in your will

When making a will many people want to give something to their community, or leave a bequest to their favourite charitable cause. It's a common misconception that only wealthy people leave money to charity when they pass away. Gifts in wills, or bequests, are not just made by the rich and famous. The reality is most bequests are made by ordinary, hard working people who want to make a positive difference in their community and other people's lives. You may consider leaving a percentage of your estate or a specified sum in your will to the MS Society Gisborne East Coast Fund, confident in the knowledge your bequest will be an enduring legacy for MS Society Gisborne East Coast.

If you would like more information on how you can make a difference for MS Society Gisborne East Coast call Glenda at the Sunrise Foundation on 06 867 7939 or glenda@sunrisefoundation.org.nz.
