Outward Bound

helps people reach their full potential through challenge and adventure in the outdoors.

The Tairāwhiti **Outward Bound** School Course is designed in partnership with our local secondary schools. Students are selected because they show commitment at school but are not yet achieving to their full potential.

Every year fourteen local students will take a life-changing journey and attend the renowned **Outward Bound** course in the Marlborough Sounds. They will push themselves to the limit and discover what they are truly capable of. They will build courage and resilience, experience success as a member of a team, identify their own values, develop an appreciation for the natural environment and gain experience being of service to others.

Any donation you make will be invested, protected and grown each year in line with inflation. The surplus investment income will be used to help local students attend **Outward Bound** every year, meaning your donation will keep developing young people in our community forever.

If you would like more information on how you can help to develop the potential of young adults in our region, call Glenda at the Sunrise Foundation on 06 867 7939 or glenda@sunrisefoundation.org.nz.

Leave a lasting legacy

What does Sunrise do?

- We raise funds from donations and legacies
- We invest funds retaining the capital and generating income
- We use income from investments to provide grants for local charities and organisations

The Sunrise Foundation is a simple and lasting way to support local charities, organisations and causes that are important to you.

You can choose to donate to Sunrise's General Fund or your favourite charity or cause through a special interest fund. You can support causes that are close to home and close to your heart.

Sunrise is an organisation for local people to give for local needs, to help build a strong future for Tairāwhiti-Gisborne forever.

The value of a donation to Sunrise

All donations and bequests to Sunrise are invested in endowment funds in perpetuity (forever). Every year some of the investment income is retained to ensure the donation grows in line with inflation and is protected from future market fluctuations. The balance is granted back to the community (and in the case of the Tairāwhiti Outward Bound Fund the balance will be used to send Year 12 students to the Outward Bound Schools Course) each and every year forever.

Over 20 years your donation will double in size and grants to the value of your original donation will have been granted to worthy causes. Over 50 years your donation and the total grants to our community will be 5 times more than your original donation.

Leave a legacy in your will

When making a will many people want to give something to their community, or leave a bequest to their favourite charitable cause. It's a common misconception that only wealthy people leave money to charity when they pass away. Gifts in wills, or bequests, are not just made by the rich and famous. The reality is most bequests are made by ordinary, hard working people who want to make a positive difference in their community and other people's lives. You may consider leaving a percentage of your estate or a specified sum in your will to the Tairāwhiti Outward Bound Fund, confident in the knowledge your bequest will be an enduring legacy for developing the potential of young adults in our region.
