**St John Gisborne**  
Endowment Fund

## St John Gisborne

is at the frontline of medical response, providing emergency Ambulance Services throughout the Tairāwhiti-Gisborne region.

**St John Gisborne's Ambulance Division was established in 1925, and covers a large area of the East Coast, stretching from Wairoa in the south to Hicks Bay in the north.**

## St John

In addition to providing ambulance services, St John Gisborne play an increasing role in meeting the broader health needs of the community by providing first aid training, event medical services, defibrillators, first aid kits and supplies, medical alarms, as well as youth group leadership and health programmes.

Through their delivery of an extensive range of services and products in health-related fields, St John believe it is important to help develop strong communities where people can live independently.

All donations made to St John Gisborne-Tairāwhiti Endowment Fund will stay local and support the Tairāwhiti region. Donations are invested, protected and grown each year in line with inflation.

The surplus investment income will be granted back to our local St John Gisborne-Tairāwhiti every year, meaning your donation will provide ongoing support.

## Make your charitable giving have a bigger impact

When making a will many people want to give something to their community or leave a bequest to their favourite charitable cause. It's a common misconception that only wealthy people leave money to charity when they pass away. Most bequests are made by everyday hard working New Zealanders who want to make a positive difference in their community and other people's lives. You may consider leaving a percentage of your estate or a specified sum in your will to the St John Gisborne Fund, confident in the knowledge your bequest will be an enduring legacy for St John Gisborne.

Over 20 years your donation will double in size and grants to the value of your original donation will have been granted to worthy causes. Over 50 years your donation and the total grants to our community will be 5 times more than your original donation.
