Endowment Fund

ECMoT

is home to fifteen acres of exhibits that showcase 20th Century life on the East Coast.

ECMoT was established in 1967 and over its 50-year lifespan the 100 percent volunteer run organisation has created a collection to rival that of its bigger and more well-known relative in Auckland with some unique exhibits that MOTAT doesn't have.

They have survived with the generosity of grants, donations and many hours of volunteer time.

All donations to the **East Coast Museum of Technology** Endowment Fund are invested, protected and grown to keep up with inflation. The surplus investment income will be returned to **ECMoT** each and every year forever.

Leave a lasting legacy

What does Sunrise do?

- We raise funds from donations and legacies
- We invest funds retaining the capital and generating income
- We use income from investments to provide grants for local charities and organisations

The Sunrise Foundation is a simple and lasting way to support local charities, organisations and causes that are important to you.

You can choose to donate to Sunrise's General Fund or your favourite charity or cause through a special interest fund. You can support causes that are close to home and close to your heart.

Sunrise is an organisation for local people to give for local needs, to help build a strong future for Tairāwhiti-Gisborne forever.

Make your charitable giving have a bigger impact

All donations and bequests to Sunrise are invested in endowment funds in perpetuity (forever). Every year some of the investment income is retained to ensure the donation grows in line with inflation and is protected from future market fluctuations. The balance is granted back to the community (and in the case of the East Coast Museum of Technology fund to ECMoT) each and every year forever.

Over 20 years your donation will double in size and grants to the value of your original donation will have been granted to worthy causes. Over 50 years your donation and the total grants to our community will be 5 times more than your original donation.

Leave a legacy in your will

When making a will many people want to give something to their community, or leave a bequest to their favourite charitable cause. It's a common misconception that only wealthy people leave money to charity when they pass away. Gifts in wills, or bequests, are not just made by the rich and famous. The reality is most bequests are made by ordinary, hard working people who want to make a positive difference in their community and other people's lives. You may consider leaving a percentage of your estate or a specified sum in your will to the East Coast Museum of Technology Endowment Fund, confident in the knowledge your bequest will be an enduring legacy for ECMoT.
