

Move For Good

**Sell with Bayleys this July or August and we will support
The Sunrise Foundation
You relocate, we donate**

It's an opportunity for the future of our community

By taking part in Bayleys Move For Good Initiative, you are contributing to the future of this charitable fund. Personally refer someone to one of our Bayleys agents to list their property for sale in July and August and Bayleys will donate a further \$200 to contribute to the overall operation of Sunrise! All vendors and purchasers of Bayleys Move for Good initiative will be invited to a cocktail evening on 4 November 2021 to celebrate your contribution.
